

CURRICULUM VITAE

Jozsef Berger, producer

Producer Jozsef Berger has been working in the film industry for over 20 years. After graduating from the National Theatre School of Hungary in 1990, Jozsef began his film industry-career in Canada in 1991. In the late 90's he established Mythberg Films Ltd., a Budapest-based production company where he produced a number of in-house developed Hungarian features, made-for-TV movies and many international co-productions. He has also produced tv-series, documentaries and was working in several projects as creative producer or line producer as well.

Jozsef has been an original production executive at HBO Europe in 2013.

He has attended the studies of 'European Post graduate Certificate in Audiovisual Production' by the European Audiovisual Entrepreneurs (EAVE) program in 2002.

Since 2001 he is a member of the European Film Academy.
